The Student Chapter of the American Meteorological Society and the Department of Meteorology is hosting CO$_2$ BBQ!

**Burgers**
- $1.50

**Drinks**
- $0.75

**Burger + drink**
- $2.00

Date: **April 14 @ 11:30AM -1:30PM**
Where: 7$^{th}$ St. BBQ Pit

Students and faculty will use special instruments to conduct measurements of CO$_2$ emissions from a typical campus barbeque!

Also, meteorology students and faculty will be available to discuss your Carbon Foot Print and ways to reduce it! Please come by for lunch and support the Department of Meteorology!
